Inspired Design Landscapes Receives 2012 Best of Minneapolis Award

Minneapolis Award Program Honors the Achievement

MINNEAPOLIS August 3, 2012 -- Inspired Design Landscapes has been selected for the 2012 Best of Minneapolis Award in the Landscaping category by the Minneapolis Award Program.

Each year, the Minneapolis Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Minneapolis area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2012 Minneapolis Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Minneapolis Award Program and data provided by third parties.
